About the Company

01

Rawha Contracting, Real Estate & Investment Company is a Saudi private multi-activity company operating in general contracting, real estate development and investment, resort operation and management, facility management, and smart technology solutions. The company's roots extend back through predecessor entities owned by the same shareholders, giving it accumulated experience in the Saudi market. Rawha delivers its services in partnership with a select group of licensed national and international entities, in alignment with the objectives of Saudi Vision 2030.

Our Vision

02

To be the leading partner for companies and public entities across the Kingdom of Saudi Arabia, and to contribute to building an advanced urban and technological future grounded in quality, innovation, and sustainability.

Our Mission

03

To provide integrated solutions across contracting, real estate development, investment, technology, and services — through strategic partnerships that adhere to the highest standards of quality, professional integrity, and compliance with Saudi laws and regulations.

Our Values

04

Quality · Integrity & Transparency · Innovation · Professionalism · Regulatory Compliance · Sustainability · Long-term relationships with clients and partners.

Chairman's Message

05

We are pleased to present the profile of Rawha Company, which reflects our journey and aspirations. We are committed to placing our company among the national organizations contributing to the renaissance of the Kingdom of Saudi Arabia and its Vision 2030, through disciplined institutional work, high-value partnerships, and strict quality commitments. We thank our clients and partners for their trust, and we pledge to continue developing our services and delivering our best, always.
